Fire Department News

In 2016 Hamilton Fire & Rescue responded to 379 incidents, which is a 19% increase over 2015.

In 2016 we have been working with Law Enforcement in developing an action plan in the event of a major disaster, and or a violent incident. We will be doing training this coming spring on our action plan.

Last summer the Allegan County Board of Commissioners approved a new Emergency Services Radio System for Allegan County. This project was and still is a major undertaking. The new system should go live in the late fall of 2017. The County has agreed to fully fund the radio equipment for the fire service through the 911 Surcharge. The impact of that decision is a \$167,000 savings for Hamilton Fire & Rescue.

Over the past year we have been working with Saugatuck, Graafschap, Holland, Fennville and the Ganges Fire Departments in building a jointly owned training facility for fire training. The facility will be built next to the Saugatuck Fire Department station. We hope to start construction in the spring of 2017, with training to start in the fall of 2017.

In mid March of 2017 we will be switching the Open Burning Notification (Burn Permit) telephone number to 269-751-4444. All notifications will now come directly to the Hamilton Fire Station.

REMEMBER THESE NOTIFICATIONS ARE FOR BRUSH ONLY

1. Brush only can be burned.
2. No building materials/plastic/rubber products.
3. All fires ***MUST*** be completely out by sunset.
4. If you live in sections 5 & 6, you can ***NOT*** open burn. (The Fire Department may grant clearing the exception for burning depending on the time of year.)
5. If you live in sections 5 & 6, you may get a camp fire permit. (These will be for camp fires only, if you burn leaves, chips, brush or household items you are in violation of Ordinance #57 and could be charged for a Fire Department response.)
6. Rental Property Owners will also be held responsible for their renter's actions.

Please remember to check your smoke detectors and change the batteries in the spring and fall.

Respectfully,

David Haverdink, Chief
Hamilton Fire & Rescue

Assessment News

The assessing staff will continue field inspections this year. The State Tax Commission recommends that assessors inspect 20% of the township each year in order to maintain current information on property. Before a field inspection, property owners will receive a letter notifying them when the assessing staff will be inspecting. You have the option to schedule an appointment by calling the office to set up a time. Inspections involve measuring and photographing the outside of all building and land improvements. If the property owner is available, they will ask a few questions about the interior construction and age of your home. The assessor does not inspect the interior of your home or buildings. If you are not at home, a yellow door hanger will let you know they were there. Please fill out the requested information on the door hanger and mail it back to the township office. Thank you for your cooperation with our field inspections.

Field inspections help us determine the assessed value of your home by listing all the components and determining the amount of depreciation of those improvements. Sales studies also influence the value of property. Assessed value should represent 50% of fair market value.

Taxable value is the value your tax bill is based on. Assessors cannot change taxable value unless there has been a transfer of ownership, new construction, or an addition of property that was not previously listed. For 2017 taxable value increased 0.3%. The consumer price index (or 5% - whichever is lower) determines the percentage. Taxable value, by law, may never be higher than assessed value.

If you ever have questions about your property assessment, taxable value or homestead exemption please call the township office. Lisa is in the office on Wednesdays.

Heath Township residents in sections 5 and 6*:

This coming fall we will resume the leaf pick up service. We ask that you do not burn your leaves. This is for the health and safety reasons in these heavily populated areas. We ask that you put your leaves by the roadside, on your lawn, and we will have them picked up weekly by Straight Line Lawn Care.

Sorry, we cannot accept branches or brush.
